FATHER FOX TO TAKE NEW POST

Catholic Priest Will Produce Passion Play at Santa Clara University

Father George G. Fox, S. J., and his mother were passengers this morning for San Francisco, where the former will take his leave from St. Ignace college to assume direction of the department of dramatics at Santa Clara University.

Dramatics has always been one of the favored departments of Santa Clara, which counts some of the leading thespians of national reputation among her graduates. This year Father Fox will begin preparing for the immense undertaking of staging "The Passion Play" with a cast of over 600 performers, every one of whom is a student, an alumnus or from the families of graduates, over four generations of Santa Clara boys taking part.

Father Fox leaves with very pleasant recollections of Tonopah and its people to whom he desires the Bonanza to express his thanks for the many favors and generous treatment during his stay of six weeks. Until the return of Father Noonan, the regular pastor, St. Patrick's church will be in charge of Father A. Gavin, of Goldfield, who will spend three days a week in Tonopah and conduct the only mass at 7:30 Sunday morning, as he has to take the train for Goldfield where the mass will be at 10 o'clock. AMUSEMENTS

ELSIE FERGUSON AT BUTLER THEATRE TODAY

The character portrayed by the talented stage and screen star, Elsie Ferguson, in her latest Artercraft photoplay, "A Society Exile," which will be shown at the Butler theatre today, is one which most of us would probably have considered untrue to life in the days before the war.

However, the splendid work done by many daughters of millionaire parents for our soldiers and sailors has convinced us that there is another type of society heiress besides the rapid "dapper" who makes dances and late suppers her whole world. Nora Shard, the heiress-heroine of "A Society Exile," is a distinguished novel writer as well as the daughter of a very rich father.

She is not at all socially ambitious, but is taken to England by an aspiring aunt, who intends to marry her to a title. The girl strikes up a close acquaintanceship with an intelligent young nobleman who desires to turn her novel into a play.

Tragedy follows, due to the unfounded suspicions of his jealous wife, and Nora is practically exiled from England.

Later in Venice all turns out for the better.

Miss Ferguson is charming in the part of Nora Shard, the misunderstood woman, and has an admirable opportunity to show her talent as an emotional actress of the first rank.

ANNOUNCEMENT

We are going to move to the Crumley Block on September 1st. This move is necessary in order to provide better facilities for handling our rapidly growing automobile and tire business. We shall make a feature of the Brunswick Tires which we are handling with a guarantee that every tire sold must give satisfactory mileage to our customers. The Brunswick-Balke-Collender Co. are well able to manufacture tires equal to any, and we believe they are doing it. It must be understood that the Brunswick is not a cheap tire, but, on the other hand, is a high class article made from the best of materials by skilled workmen. When you become dissatisfied with your tire mileage try one. We still have a few tires that went through the flood which we are selling at 20 per cent reduction. These tires are not damaged, but the wrappers were destroyed and they must be sold to prevent deteriorating.

We have one crackerjack Chevrolet 490 for \$500.00. It's worth more money. Come in and look at it.
